2nd November 2017

Dear All

Ref Int 14's to Richmond

On behalf on the int 14 association I invite any member of the Association who wishes to book a place for their boat to go to Richmond San Francisco for the International 14 worlds and world team racing between Aug 12th to Aug 25th

The provisional sums per boat based on 18 boats going into 2 x 40ft containers is £1,355. This is not a fixed sum as a large part of the shipping cost is based in \$ and as the event is some way off. Shipping has many potential increases as you go along and we have in the past had to pay premiums for customs inspections, shipping delays causing extra local charges on quick delivery, etc. You will be liable for a equal share of all the costs and we will not know the final costs until the boats are delivered back in the UK.

In the event of having too many boats we will need to find a resolution that is fair to everyone. My research to date has shown we are close but just under the maximum. It is possible that we might be able to get as many as 20 boats in two containers. Should we get more bookings than this we are presented with a dilemma.

Having less boats is a money problem in that the costs get divided by the number of boats going and you sign up to that possibility.

Whilst a number of people have made their desire to sign up early known to ensure a booking I cannot give that reassurance as we are all equal if we receive your **non returnable deposit for £500** by the 20th November. Balancing payment of approx. £855 will be required by January 31st.

Please make your payment to the Int 14 association by bank transfer to Account no 04709349 . Bank code 60-19-28 and send a confirmation email to Andy Penman , Class Treasurer, Andrew.penman14@gmail.com

Including, insurance, a 5% contingency and a sum for some shipping frame wood, screws, etc for fixing the wooden frames the gross sum is currently £12,000.

The loading date is Saturday 23rd June currently at Peters & May, Eastleigh.

I attach an updated Power point as shown at Rock SC which forms part of the information for this invitation. Any questions not answered by the attached note please do not hesitate to ask.

I look forward to going with you all

Kind regards

Andy FitzGerald
14 Container Organiser
